Applicant's Raw Sequence Listing and CRF submitted on 27 July 1999 have been received but the application is not in conformance with the sequence rules for the following reasons:

Applicants' sequence listings do not include all of the applicable sequences in the specification. See, for example, page 45, line 12, of the specification. Applicants are requested to review the lengthy specification and include all applicable sequences in a Raw sequence Listing and CRF.

Applicant is given ONE MONTH, or THIRTY DAYS, whichever is longer, from the mailing date of this letter within which to comply with the sequence rules, 37 CAR1.821 - 1.825. Failure to comply with these requirements will result in ABANDONMENT of the application under 37 CAR1.821(g). Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CAR1.136(a).

Direct the reply to the undersigned. Applicant is requested to return a copy of the attached Notice to Comply with the reply.
